

BOSE

SoundLink Flex Bluetooth® speaker
ASTONISHING SOUND.
WHEREVER LIFE TAKES YOU.

BOSE QUIETCOMFORT®45 HEADPHONES

You feel it the minute you put them on. The soft, plush cushions seal you in. Then you flip the switch and whoosh — the world fades. And the music starts. The original noise cancelling headphones are back, with better quiet (plus the new Aware Mode), shockingly light materials for premium comfort, and proprietary acoustic technology for deep, clear sound. It's an icon reborn. Bose QuietComfort® 45 headphones. The perfect balance of quiet, comfort, and sound.

Product Features:

High-fidelity audio

Quiet & Aware Modes

All-day comfort

Lightweight yet durable

24 hour battery life

Clearer calls

Charge via USB-C®

Strong, reliable wireless connection with
Bluetooth®

**Iconic quiet. Comfort.
And sound.**

BOSE SOUNDLINK FLEX BLUETOOTH® SPEAKER

The SoundLink Flex Bluetooth® speaker delivers the clearest possible sound with deep, powerful bass wherever life takes you. With its silicone body, powder-coated steel grille, and utility loop, the speaker is versatile and rugged enough for all your adventures. It doesn't matter whether SoundLink Flex is standing upright, hanging, or flat on its back, its proprietary PositionIQ™ technology automatically detects its orientation and ensures optimal sound in any position.

Product Features:

Delivers clear, deep sound and powerful bass

PositionIQ™ technology detects orientation and optimizes the sound

BOSE SMART SOUNDBAR 900

The Bose Smart Soundbar 900 with Dolby Atmos® brings the immersive feeling of a movie theater into your home. Two custom-engineered upfiring dipole speakers work with Bose technologies to make it feel like your room is filled with sound from every direction. Even overhead. The soundbar can even intelligently analyze signals other than Dolby Atmos, like stereo or 5.1, to create an immersive 7-channel sound experience.

Product Features:

Spacious sound, clear dialogue, and rich bass

Control your TV with your voice while using Voice4Video™

Wifi®, Bluetooth®, Apple AirPlay 2 and Spotify Connect

Amazon Alexa and Google Assistant built in

Connect with select Bose headphones and speakers using SimpleSync™

Single connect to your TV

Works with other Bose speakers for more music. In more rooms

Includes remote

Optional wall bracket

**Theater-life sound.
At home.**
